

## **CLINICAL NEURO: *Brain Examination with clinical pearls and protocols***

8-week Boot Camp  
*An interactive web-based format*

### **Brain Based Care: *The New Frontier in Functional Medicine***

Contact: ProHealth Seminars for registration  
*prohealthseminars.com*  
573.341.8448

**Invest 8 weeks of time:**  
***Learn skills and protocols that will enrich  
your clinical success for a professional lifetime***

- Weekly videos (*approximately 2-hours in total....watch on your own time!*)
- Recorded webinars and phone conferences for increased interaction
- Closed Facebook group for questions and group participation
- Complex material in bite size, simple to understand, easy to implement Brain Based Care into your practice
- Exam forms and protocols designed for you to integrate Brain Based Care
- Chalked full of clinical pearls and protocols with Dr. Kessinger's ability to make it Monday morning ready

***October 18, 2018***

Spreading two 12-hour seminars over 8 weeks allows each important concept to sink in, put into practice right away, and build for each new concept.

***\$ 895*** *Total cost for Boot Camp*

***No travel                      No hotels                      Learn at Your Own Pace***

*Videos available for 1 year, following the course and...*

*the community created from the closed Facebook page will continue indefinitely*

## CLINICAL NEURO PROGRAM

*Brain Examination with clinical pearls and protocols*

**LEARNS SKILLS AND PROTOCOLS THAT WILL ENRICH  
YOUR CLINICAL SUCCESS FOR A PROFESSIONAL LIFETIME**

Dementia and Alzheimer's are on the rise. 1 in 5 kids have either ADHD, OCD, Dyslexia, autism, tics or learning disability. Anxiety is at an all-time high and the need for doctors trained in Brain Based Care has never been higher.
